ABOUT GAYATRI CONTROL

Established in 1995, Gayatri Control and Automation Private Limited in a short span has taken giant strides and carved a unique niche for itself as a leader in the world of Control Panels. An ISO 9001:2000 company

GCAPL manufactures Control Panels to meet the needs and requirements of different industries — from plastic machinery to road construction machinery, rolling mills to material handling equipment's, air compressors to printing and packaging machinery. Also, on the anvil are plans to further expand the scope to other manufacturing industries

What Is UL 508A?

UL 508A is the UL Standard for Safety of the construction of Industrial Control Panels. This includes proper component selection, wiring methods, and calculation of short circuit current ratings.

UL considers an Industrial Control Panel (ICP) an assembly incorporating two or more pieces of industrial control equipment or related control circuit devices, provided with interconnecting wiring and terminals for connections in the field.

To allow the installer to properly install the panel in accordance to the National Electrical Code and other codes, electrical ratings and instructions are to be clearly explained on the panel.

Control Panel With the UL Mark

We build to produce safe and reliable product
Certified for United States and Canada

Earning the UL Mark has shown that our panels have been evaluated, tested, and proven to meet all requirements of the UL508A standards

UL is a leading force in the research and development of global regulatory standards across a wide spectrum of industries, including industrial control equipment.

GCAPL was founded by **Jignesh Pandya** And **Pratap bariya** in Ahmedabad, India in 1995 to fill the need for quality manufactured industrial control panels that can handle extreme environments.

- ✓ **20+** Countries Exported
- ✓ **25+** Years of Experience in Industrial Automation.
- ✓ **12000+** successful Installation
- ✓ Quality Certificate : ISO 9001/2015, UL Listed Shop , CE
- ✓ CPRI approved short circuit test report of PCC and MCC Panels as per IS/IEC 61439-1
- ✓ Dedicated engineering team in terms of Sales, Design, Production, ERP Driven Company

GAYATRI
Control and Automation Private Limited

Matters of pride & precision

High-Quality In-house Control Panel Design & Manufacturing

Facility

- 10000 Sq Ft.
- Crane & Material Lift Facility
- Full Service Manufacturing Stations
- Automatic Wire Cutting, Wire Crimping, Bus bar Cutting Punching Machinery

One Stop Solutions For Complete System for Automation Projects

Certification UL ,CE,CPRI

TUV NORD

Certificate

Management system as per
ISO 9001:2015

The Certification Body TUV NORD CERT GmbH, hereby confirms as a result of the audit, assessment and certification decision according to ISO/IEC 17021-1:2015, that the organization:

GAYATRI CONTROL AND AUTOMATION PVT. LTD.
29, Krishna Estate, Nr. Cadmach, Phase IV, GIDC Estate,
Valva, Ahmedabad - 382 445,
Gujarat,
India

operates a management system in accordance with the requirements of ISO 9001:2015 and will be assessed for conformity within the 3 year term of validity of the certificate.

Scope

Design, Manufacture and Supply of Thyristor Power Regulators, Control Panels and Industrial Automation Products.

Certificate Registration No. 04 100 030703
Audit Report No. 2.5-0406/2023

Valid from: 15.05.2024
Valid until: 01.05.2027
Initial certification 02.05.2023

Visit our website to verify the validity of this certificate.

Statement of Compliance

Ref.: CE, M/17 PM/01

Customer's reference
Technical File Number: GCAPL/ET01/CE01

Name & Address of the Manufacturer:

GAYATRI
Control and Automation Private Limited
29, Krishna Estate, Nr. Cadmach, Phase IV,
G.I.D.C. Valva,
Ahmedabad - 382445, Gujarat,
India

Product Nomenclature: Control Panel for plastic Pencil Plant

Type/Model: GCAPL/ET/01

Review: Periodic Observations

The Technical File referenced above submitted by the manufacturer has been reviewed.
The Technical File adequately covers the requirements under the provisions of the European Directive/s:

- Low Voltage Directive-2006/95/EC
- EMC Directive: 2004/108/EEC

Standards Applied: EN 60204-1, EN 61000-6-2, EN 61000-6-4

The Manufacturer is advised to issue the EC Declaration of Conformity

Marking to be put up on the product: CE

Date of Review: 13.05.11
